WILDE KNIGHT

Cavewoman Fans look out!

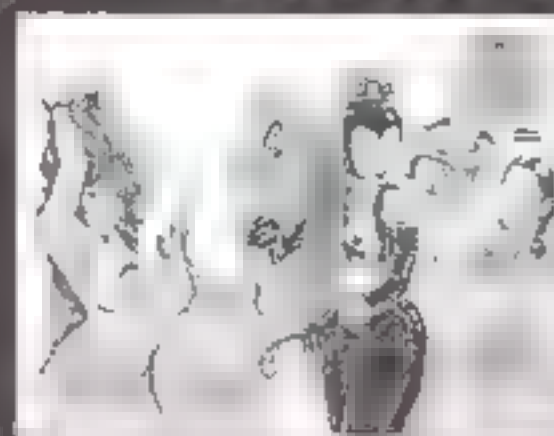

The Basement is very proud to bring you this awesome new book from Gary Petras and fan favorite artist Dave Hoover.

A Superior story and Dave Hoover's incredible jungle girl artwork is amazing! Cheyenne Wilde is the ultimate nature girl. A Native American beauty whose life is shattered by violent circumstances, through a baptism of fire she becomes the embodiment of a Warrior Spirit. Wilde Knight! With her constant companion, the wolf Dakota, she seeks revenge against those that would destroy her Eden-like world. An army of fanatics, W.A.R. (Warriors For The Advanced Revolution) against one lone fighting woman and the odds are all in her favor. The art alone is worth the ride and we think all The Basement dwellers will thoroughly enjoy this new series!
